

# IZZY ASPER JAZZ Performances

Steve Kirby

The upcoming Izzy Asper Jazz Series will be the most soulful, funky, tasteful and diverse season to date. We've put together a winning lineup of top-shelf heavy-hitters from the captivating Dee Daniels to the very elegant and personable John Clayton. Randy Brecker's trumpet mastery is the stuff of legends. His big, warm, and rich tone is absolutely breathtaking! He's the perfect guy to do a tribute to the father of jazz,

Louis Armstrong. I've heard newcomers Sean Jones and Aaron Goldberg over the past years and they have never failed to thrill and inspire me. The music of Horace Silver is the epitome of soul. It's my personal favourite and I'm sure it will become yours too. We're looking forward to the excitement of the fall and I hope you'll be there with us to enjoy the most amazingly musical lineup ever!
